Authorization to Aggregation Energy Load

To whom it may concern,

Please accept this letter as an authorization for Power Kiosk to aggregate my energy usage with several other customers's usage and negotiate a bid for the entire pool. We hereby authorize Power Kiosk to share my energy usage and bill data with the suppliers and with the utility and to generate a bid and a contract for me and other members of the aggregation pool.

I acknowledge that Power Kiosk will be held harmless regardless of the results of this aggregation procedure. Power Kiosk will utilize the best state of practice and try to improve the outcome for the members of the pool. No savings is guaranteed due to this aggregation

I understand that by signing a contract within an aggregation pool, my energy rate will be tied to that of the other members of the aggregation pool and that their energy usage and changes in that usage may affect my energy rate.

Thank you,
